27 Jun 2018 Wednesday	<p>Airport Transfer to Hotel - Phnom Penh, Upon arrival at Phnom Penh International Airport, your private English Speaking Guide welcomes you and transfer to your hotel. Please find a welcome signboard with your name on it. Arrival at hotel, your guide will assist you to check-in.</p>
28 Jun 2018 Thursday	<p>Signature Tour - Phnom Penh, Your full day tour today takes you on a comprehensive journey through some of Phnom Penh's most important historic and cultural sites. While giving you an insight into the horrors of Cambodia's past it should also give you a sense of the optimism of its people.</p> <p>Starting early, you'll begin with the emotive settings of the detention centre S21 at Toul Sleng and the 'Killing Field' of Choeung Ek (45 minutes drive away). Please be aware that the exhibits are, by their very nature, both graphic and disturbing, highlighting the atrocities committed against an entire population during one of the most terrifying periods in Cambodia's history.</p> <p>Heading back into the city, there's time to immerse yourself in the colour and chaos of the bustling Russian Market before lunch at an NGO-run restaurant and training school for street kids, serving delicious khmer fusion tapas. The colourful decor and the smiling portraits of the staff on the walls of Friends' Restaurant are in striking contrast to the sobering black and white portraits seen at S21.</p> <p>After lunch, visit the art galleries along National Museum Road and take a short stroll to the Royal Palace (best visited in the afternoon when it is less busy and the light is better for photographs). Then it's time to sit back and relax on a cyclo tour that will meander through the streets down boutique shopping streets, past the Central Market and along the river to conclude at The Exchange Restaurant. This is a lovely place to sip a cocktail or two and reflect on the sights, sounds and historical insight of today's tour, before returning to your hotel.</p>

	Flight : K6 104, D:14:20 - A:15:05, Siem Reap -> Phnom Penh				
30 Jun 2018 Saturday	Ta Phrom, Banteay Srei And Angkor Thom. (Sig-D2), Start the day early (around 7am) at Ta Prohm, built as a Mahayana Buddhist monastery and university by King Jayavarman VII. The temple is one of the most atmospheric in the whole region, with bloated tree trunks eerily snaking in and out of the ruins and large trees growing straight out of the stones. It is a stunning jungle-covered complex that is best visited early to avoid the crowds. After a picnic-style breakfast visit the beautiful Banteay Srey, a temple dedicated to the Hindu god Shiva that is famous for the stunning pink hue of its red sandstones. En route to Banteay Srey you will have a chance to see the Cambodian countryside with rice paddy fields, exotic trees and fruit sellers. If you like, you can even stop to see palm sugar being made in a local village. En route back to Siem Reap town, if interested you can stop at the small but lovely Banteay Samre temple and a Land Mine Museum. You will then have some time to relax by the pool at your hotel and have lunch. In the afternoon visit Angkor Thom, which translates to "Great City" in Khmer. Walk through the famous Victory Gate into the temple complex flanked by impressive stone soldiers. Later, we return to your hotel. Accommodation at your hotel.				
	Angkor Wat And Kampong Phluk Floating Village (Sig-D3), This morning you will have the option to visit the magnificent Angkor Wat for sunrise. This temple is the largest religious building ever constructed and is one of the wonders of the world. Believed to have been undertaken as a temple and mausoleum for King Suryavarman II at the peak of the Khmer empire in the first half of the 12th century, Angkor Wat is the best-preserved of the Angkorian temples. The earlier you rise the better - the complex can get quite busy at sunrise so to arrive when the moon and the stars are still out is ideal, where you will essentially have the temples to yourselves in the most magical of settings. Return to your hotel to relax and have lunch. In the afternoon you will visit the Roluos temples, some of the earliest permanent structures built by the Khmer. These temples are largely untouched by tourism and are an excellent display of classic Angkorian design. Pass by the quaint rural village of Kompong Thkov en route to Kampong Phluk, a floating village built on stilts inhabited by a local fishing community on the lake. You will take a boat ride out on the lake to cruise around the village and see the local houses. Later, return to the village and continue to Siem Reap. Arrival at your hotel for accommodation.
